1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The following changes to the drawings have been approved by the examiner: Figs. 1 and 2 should be labeled as --Prior Art--. In order to avoid abandonment of the application, applicant must make these above drawing changes.

3. The following is an examiner's statement of reasons for allowance: the prior art fails to show or fairly suggest a dual mode tuning arrangement for tuning to VHF television signals and to FM radio signals, the arrangement having a local oscillator circuit comprising a first series arrangement of first and second inductances (L_1 , L_2), a second series arrangement of a variable capacitance diode (C_v) and a first padding capacitor (C_{p1}), the first and second series arrangements being interconnected at first and second junctions (J_1 , J_2) to constitute a parallel arrangement, an active oscillator element (S) being connected between the first junction (J_1) of the parallel arrangement and ground, a third series arrangement of a mode switching diode (C_{sw}) and a second padding capacitor (C_{p2}) connected in parallel with one of the first and second inductances, means (R_3) for supplying a tuning voltage (V_t) to the junction of the variable capacitance diode (C_v) and the first padding capacitor (C_{p1}) and means (R_2) for supplying a mode switching voltage (V_s) to the junction of the mode switching diode (C_{sw}) and the second padding

capacitor (C_{p2}), including a damping resistor (R_{1a}) for suppressing parasitic oscillations connected between the second junction (J_2) of the parallel arrangement and ground, as recited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
